SINGAPORE, 10 MAY 2018

Fraser's Logistics & Industrial Asset Management Pte. Ltd., the manager of Fraser's Logistics & Industrial Trust ("**FLT**") and the manager of FLT, the "**REIT Manager**", is pleased to announce that it has successfully raised gross proceeds of approximately S\$329 million through a private placement (the "**Private Placement**") of 333,199,000 units at an issue price of S\$0.987 per unit (the "**Issue Price**").

The overnight placement drew strong demand from new and existing institutional investors and other accredited investors which led to the book being approximately 3.9 times subscribed. The Issue Price is at the top end of the indicative price range of 1.3% to 3.8% discount to the Adjusted VWAP.

The Private Placement is part of the equity fund raising ("**Equity Fund Raising**") approved by FLT unitholders to partially fund its proposed acquisition of 21 prime industrial properties in key global logistics hubs in Germany and the Netherlands. The Equity Fund Raising also includes a preferential offering to existing unitholders that will be launched on 23 May 2018 on the basis of one new unit for every 10 existing units in FLT.³

Mr. Robert Wallace, Chief Executive Officer of the REIT Manager, said, "We are delighted by the overwhelming response to our Private Placement, which is testament to investors' confidence in FLT's strategy and support for our strategic entry into Germany and the Netherlands. We would like to thank all existing and new investors, as well as our Sponsor – Fraser's Property Limited – for their strong support of FLT's Private Placement. We look forward to the continued support of the existing unitholders in the preferential offering."

¹ Based on FLT's adjusted volume weighted average price ("**Adjusted VWAP**") of S\$1.0003.

² The "**Adjusted VWAP**" is computed based on the VWAP of all trades in the Units on Singapore Exchange Securities Trading Limited for the full market day on 9 May 2018 and subtracting the estimated cumulative distribution (which comprises the distribution for the period from 1 October 2017 to 31 March 2018 of 3.61 Singapore cents per unit and the estimated advanced distribution from 1 April 2018 to the date immediately prior to the issue of the New Units of 0.69 Singapore cents per unit) of approximately 4.3 Singapore cents per unit. This amount is only an estimate based on information currently available to the Manager and the actual advanced distribution may differ and will be announced at a later date.

³ The holders of the new units to be issued pursuant to the Private Placement will not be eligible to participate in the preferential offering.

*DBS Bank Ltd. and Citigroup Global Markets Singapore Pte. Ltd. are the joint financial advisers, global coordinators and issue managers for the initial public offering of the units in Fraser's Logistics & Industrial Trust (the "**Offering**"). DBS Bank Ltd., Citigroup Global Markets Singapore Pte. Ltd., Morgan Stanley Asia (Singapore) Pte., Oversea-Chinese Banking Corporation Limited and United Overseas Bank Limited are the joint bookrunners and underwriters for the Offering (collectively, the "**Joint Bookrunners**"). The Joint Bookrunners for the Offering assume no responsibility for the contents of this press release.*

The proposed acquisition will increase FLT's portfolio value to A\$2.9 billion, and will enhance FLT's defensive attributes through geographical diversification, increased freehold component, reduced tenancy concentration risk and an improved portfolio weighted average lease expiry.

DBS Bank Ltd., Merrill Lynch (Singapore) Pte. Ltd. and Citigroup Global Markets Singapore Pte. Ltd. have been appointed as the joint global co-ordinators and bookrunners for the Equity Fund Raising.
