

SGX-ST ANNOUNCEMENT

For immediate release

FRASERS LOGISTICS & COMMERCIAL TRUST

(a real estate investment trust constituted on 30 November 2015 under the laws of the Republic of Singapore)

NOTICE OF RECORD DATE AND DISTRIBUTION PAYMENT DATE

NOTICE IS HEREBY GIVEN that the Transfer Books and Register of Unitholders of Frasers Logistics & Commercial Trust (“**FLCT**”) will be closed at **5.00 p.m.** on **Tuesday 17 May 2022** (“**Record Date**”) for the purpose of determining the entitlements of unitholders of FLCT (“**Unitholders**”) to the Distribution (as defined herein). FLCT has declared a distribution of 3.85 Singapore cents per unit in FLCT (“**Unit**”), for the period from 1 October 2021 to 31 March 2022 (the “**Distribution**”), comprising a tax-exempt income distribution component of 2.60 Singapore cents (the “**Tax-Exempt Income Distribution Component**”), a capital component of 0.69 Singapore cents (the “**Capital Distribution Component**”) and a taxable income distribution component of 0.56 Singapore cents (the “**Taxable Income Distribution Component**”).

Unitholders whose securities accounts with The Central Depository (Pte) Limited (“**CDP**”) are credited with Units on the Record Date will be entitled to the Distribution which will be paid on **Friday, 17 June 2022**.

DECLARATION FOR SINGAPORE TAX PURPOSES

1. The Tax-exempt Income Distribution Component is exempt from Singapore income tax in the hands of all Unitholders entitled to the Distribution (“**Eligible Unitholders**”) regardless of their nationality, corporate identity or tax residence status. No tax will be deducted from such component.
2. The Capital Distribution Component represents a return of capital to Eligible Unitholders for Singapore income tax purposes. The amount of the Capital Distribution Component will be applied to reduce the cost base of Unitholders’ Units for Singapore income tax purposes. For Eligible Unitholders who are liable for Singapore income tax on profits from the sale of their Units, the reduced cost base of their Units will be used to calculate any taxable trading gains arising from the disposal of the Units.
3. Tax will be deducted at source from the Taxable Income Distribution Component in certain circumstances. The following section describes the circumstances in which tax will or will not be deducted from such Taxable Income Distribution Component.

Individuals

Unitholders who are individuals not acting in the capacity of a trustee and who hold Units in their sole names or jointly with other individuals are not required to submit any forms and will receive the Taxable Income Distribution Component at gross, i.e. no tax will be deducted at source. The Taxable Income Distribution Component received by individuals (whether Singapore tax resident

or not) is exempt from tax if it is not derived through a partnership in Singapore or from the carrying on of a trade, business or profession.

The aforesaid tax exemption does not apply to the Taxable Income Distribution Component received by individuals through a partnership in Singapore or from the carrying on of a trade, business or profession. Such Unitholders must declare the Taxable Income Distribution Component received as income in their tax returns, notwithstanding that they may receive the amount at gross.

Qualifying Unitholders

Qualifying Unitholders (which term, for the avoidance of doubt, does not include individuals) not acting in the capacity of a trustee should receive the Taxable Income Distribution Component at gross, but may have to pay income tax later at their own applicable tax rates. To receive the Taxable Income Distribution Component at gross, such Unitholders (who hold Units in their own names) must complete a prescribed tax declaration form to declare their Singapore tax status - the "Declaration for Singapore Tax Purposes Form" ("**Form A**"). They will receive Form A from the unit registrar of FLCT, Boardroom Corporate & Advisory Services Pte. Ltd., and will have to complete and return Form A to Boardroom Corporate & Advisory Services Pte. Ltd. If a Qualifying Unitholder fails to return Form A within the stipulated time limit or fails to properly complete Form A, Perpetual (Asia) Limited, in its capacity as trustee of FLCT (the "**Trustee**") and Frasers Logistics & Commercial Asset Management Pte. Ltd., as manager of FLCT (the "**Manager**") will be obliged to deduct tax at the rate of 17.0% from the Taxable Income Distribution Component to such Qualifying Unitholder.

Qualifying Unitholders include Singapore incorporated and tax-resident companies and exclude a person acting in the capacity of a trustee. The complete list of Qualifying Unitholders will be shown on Form A.

CPFIS/SRS Funds

Unitholders who hold Units under the Central Provident Fund Investment Scheme ("**CPFIS**") or Supplementary Retirement Scheme ("**SRS**") will receive the Taxable Income Distribution Component paid at gross to their respective CPFIS or SRS accounts, which is tax-exempt. There is no need for such Unitholders to return any forms.

Foreign (Non-Individual) Unitholders and Non-resident Funds

Foreign (non-individual) Unitholders and non-resident funds that meet certain conditions will receive their Taxable Income Distribution Component net of 10.0% tax. Such Unitholders (that hold Units in their own names) must complete Form A to declare their status in relation to these conditions. They will receive Form A from Boardroom Corporate & Advisory Services Pte. Ltd. and will have to complete and return Form A to Boardroom Corporate & Advisory Services Pte. Ltd. The Trustee and the Manager will be obliged to deduct tax at the rate of 17.0% from the Taxable Income Distribution Component if Form A is not returned within the stipulated time limit or is not properly completed.

Nominee Unitholders

Provided that the nominee Unitholders furnish certain particulars of their beneficiaries to the Trustee and the Manager, the following treatment will apply:

- nominees who hold their Units for the benefit of individuals and Qualifying Unitholders will receive the Taxable Income Distribution Component in relation to such Units at gross; and
- nominees who hold their Units for the benefit of qualifying foreign (non-individual) investors and qualifying non-resident funds will receive the Taxable Income Distribution Component in relation to such Units net of 10.0% tax.

These particulars are to be provided together with a declaration by the nominees of the status of the beneficiaries.

Nominees will receive the “Declarations by Depository Agents for Singapore Tax Purposes Form” (“**Form B**”) from Boardroom Corporate & Advisory Services Pte. Ltd. and will have to complete and return Form B to Boardroom Corporate & Advisory Services Pte. Ltd. The Trustee and the Manager will be obliged to deduct tax at the rate of 17.0% from the Taxable Income Distribution Component if Form B is not returned within the stipulated time limit or is not properly completed.

Joint Unitholders and All Other Unitholders

Unitholders who hold their Units jointly (other than those held jointly by individuals) as well as Unitholders who do not fall within the categories described above will receive their Taxable Income Distribution Component net of 17.0% tax. These Unitholders do not need to return any forms.

DECLARATION IN INCOME TAX RETURN

The Taxable Income Distribution Component is considered as income for the year 2022. Beneficial owners of the Taxable Income Distribution Component, other than those who are exempt from tax on the Taxable Income Distribution Component or who are entitled to the reduced rate of 10.0%, are required to declare the Taxable Income Distribution Component as taxable income in their income tax return for the year of assessment 2023.
