HAUT Management Fee Units

1,372,643 Units at an issue price of S\$0.9477 per Unit, have been issued as payment of 100% of the HAUT Manager Base Fee for the period from 1 July 2025 to 30 September 2025.

The respective numbers of Units above were determined based on the volume weighted average price per Unit for all trades on Singapore Exchange Securities Trading Limited (the “SGX-ST”) in the ordinary course of trading for the last 10 business days of the financial quarter ended 30 September 2025 (in accordance with the REIT Trust Deed, the FCOT Trust Deed, the FS1T Trust Deed and the Investment Management Agreement, as the case may be).

The Units were issued in accordance with the disclosures in the prospectus of FLCT dated 10 June 2016, the REIT Trust Deed, the FCOT Trust Deed, the FS1T Trust Deed and the Investment Management Agreement. For the avoidance of doubt, there is no double-counting between the fees paid to the REIT Manager and the HAUT Manager. Where management fees are payable to the HAUT Manager under the Investment Management Agreement, the management fees payable to the REIT Manager have been correspondingly reduced. Similarly, there is no double-counting between the fees paid to the REIT Manager under the REIT Trust Deed, to the REIT Manager (for its role as manager of FCOT) under the FCOT Trust Deed and to the REIT Manager (for its role as manager of FS1T) under the FS1T Trust Deed. Where management fees are payable to the REIT Manager under the FCOT Trust Deed and the FS1T Trust Deed, the management fees payable to the REIT Manager under the REIT Trust Deed have been correspondingly reduced.

With the abovementioned issue of new Units, the total number of Units in issue as at 13 November 2025 is 3,790,770,958, of which the REIT Manager has an interest in an aggregate of 19,200,207 Units, which represents approximately 0.51% of the total number of Units in issue, and FPITH II has an interest in an aggregate of 844,778,266 Units, which represents approximately 22.29% of the total number of Units in issue.
